Predict what happens next

When we read a story, we often try to guess what will happen next. We can look at **what the characters say and do** to understand what is happening. Then, we can ask ourselves questions, e.g. What may happen next? Why do I think that? This helps us understand the story better.

Try this!

Read the first part of the story. Can you guess what happens next?

- 1** One day, Pinocchio sees a butterfly flying by.

- 2** He follows it to a big playground.

Blacken ● the circle.

What will Pinocchio do next?

- ☐ A. go on the slide
- ☐ B. go on the swing
- ☐ C. play on the seesaw
- ☐ D. play with the butterfly
