

# ADVANCE

## Teacher

### Support with immediate actionable data

- ✓ Real-time reports to monitor student activities and track their progress
- ✓ Use Lexiles® measures to effectively grow readers
- ✓ Lesson Plans

## Student

### Progression to a higher Lexile range

- ✓ The student periodically takes the Literacy Pro Test to track reading progress
- ✓ There will be noticeable progression to a higher Lexile® range over time!

## Parent

### Metrics for parents to stay abreast of the child's reading

- ✓ Up-to-date information about the student's reading activities
- ✓ Book recommendations for parents to read with their child
